

My Choice Reaches 100 Employers

My Choice Employment Services of Hope Haven recently announced the addition of the 100th employer to join the My Choice employment network. Rachel Riphagen, the Area Supervisor for My Choice Employment, acknowledged the job placement of Charlotte Palmer at Central Lyon Community Schools located in Rock Rapids, making this the 100th employer to hire a person through My Choice. These 100 employers located in 19 communities throughout NW Iowa have provided 186 jobs for 136 people with disabilities since the My Choice Employment program began in September of 2013.

My Choice Employment Services specializes in customized employment which is an intensive process that greatly enhances the employment relationship between the workers with a disability and the employer in a way that meet the needs of both parties. Customized employment is based on matching the strengths, interest and unique conditions necessary for qualified individuals to achieve successful employment as well as identifying the business needs of the employer.

My Choice Employment promotes “A valued workplace is a productive workplace.” Valued workplaces are committed to a very important mission that is the Dignity, Value and Livelihood for every person. These 100 employers have discovered an under-utilized but very capable workforce and recognize the importance of a valued work place.
